

# TRACK

**General:** The TRACK collection blurs the visual lines between natural cork and particle board, but delivers the technical and durable properties of hard wearing porcelain stoneware. This raw and unusual looking material also has subtle texture to its surface, creating endless joints and a continuous flow throughout the are being clad.  
The three soft & warm hues are Ivory, Beige and Grey, each being able to combine with the other in style.

**Applications:** Suitable for all floor & wall applications, including kitchens, bathrooms, living areas, covered patios & balconies, foyers, food courts, restaurants, bars and heavy commercial traffic areas.
