

APLOMB - Wall Tiles

General: Aplomb is a collection designed to clad environments with a modern, contemporary elegance and a strong yet discreet personality, giving life to pleasant atmospheres with relaxed, calming tones.

The textures – very slight and almost imperceptible at a distance – come to life with when the light hits the surface: the dots and stripes appear matt when viewed from the front, and shiny in raking light.

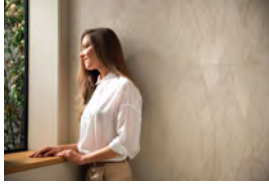

Applications: All commercial and residential wall applications - both wet & dry.
