

ICON - Travertine

General: A protagonist in over 2000 years of art and architectural history, travertine is a universal icon with a unique and unmistakable personality. In the third millennium, the appeal of travertine continues unaffectedly to captivate designers all over the world.

The ICON series combines the timeless aesthetics of travertine with the exceptional performance and functionality of porcelain stoneware - in three beautiful and traditional colourways.

Applications: All commercial and residential applications for both floor and wall. Create various edge detailing & laminations for steps, pool surrounds / copings, as well as custom internal & external designs.
