

Glassalike

General: Introducing the mirrored sheen of glass over soft pastel coloured ceramic wall tiles - in 3 different surfaces to highlight the reflective qualities of such designs. Available in eight elegant colours in Block, Fluted and Grooved options - with 4 matching and co-ordinated floor tiles to complete your bathroom design. These modern yet timeless colour ways add glamour to your project, and are easily cleaned and maintained.

Applications: Suitable for all wet area wall applications, plus floors in 300x600mm format for bathrooms, change rooms and kitchen areas.
