

# KERLITE MATERICA

**General:** Taking its inspiration from hand-smoothed concrete, Materica is a series in which simplicity becomes an aesthetic code. Available in eight colours recapturing a contemporary and minimal mood, Materica is available in both Kerlite 5.5mm and extra-thick (14 mm).

**Applications:** Commercial & residential indoor floors, including boats, buildings, foyers, boutiques, galleries, living areas, kitchens and bathrooms, plus all wall applications, splashbacks, bench tops, lift cars and external walls (inclusive of wall cladding).
