

Lapis Stone

General: Lapis endows elegance and the pure strength of natural stone to our surroundings, places where we live, work or pass through. Places marked by time and the emotions of our lives. Five colours, 2 thicknesses and five sizes for indoors and one for outdoors, with mosaics and three-dimensional textured decors: Lapis is a collection of seemingly sculptured stone with endless choices and endless choices for warm and refined living.

Applications: Suitable for all floor & wall applications, including kitchens, bathrooms, living areas, covered patios & balconies, foyers, food courts and heavy commercial traffic areas.
