

Kerlite - Limestone

General: Limestone is the first collection to be produced with an innovative high resolution ink-jet printing system that produces 3 dimensional graphics with a level of detail and precision that was not possible until now. Previously available in 14mm porcelain stoneware, we now introduce Limestone to the Kerlite 5Plus family.

Applications: Commercial & residential indoor floors & walls and surfaces including boats, buildings, foyers, boutiques, galleries, living areas, kitchens and bathrooms, plus all wall applications, splashbacks, bench tops, wall facades, lift cars and external walls (inclusive of wall cladding).
