

KERLITE 6plus - GRUNGE

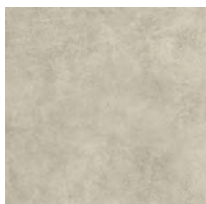

General: Grunge translates the unmistakable personality of raw concrete into elegant, highly realistic and technical porcelain surfaces that display the authentic effects of time as a result of natural aging of cast concrete. Grunge offers four modern and natural colours that are physically distinctive and unique, all being a part of the PROTECT® line of products: antimicrobial floor and wall surfaces - designed for healthy, safe and protected living spaces.

Applications: Commercial & residential in & out doors, including foyers, boutiques, galleries, living areas, balconies, patios, kitchens, bathrooms, walls and floors.
