

NEW YORK

General:

A perfect blend of contemporary style and timeless appeal. We're looking at a wall covering able to offer an impressively accurate reproduction of the surface and the feel of brick. This rough texture, of an unprecedented material intensity, comes in a wider variety of shades, which, in a thickness of just 10 mm, brings the marvellous essence of brick right back to life.

Applications: Commercial & residential floors and walls including splashbacks, feature walls bathrooms, patio and walkways.
