

# OUTDOOR - Living Space

**General:** With OUTDOOR, every outdoor area becomes a living space of extraordinary beauty and exceptional resistance, because it is available in enhanced 12 and 20mm thickness.

A strong aesthetic value, an immense and original variety of tones coupled with the extensive modularity of formats means that OUTDOOR exudes elegance and versatility, transforming all outdoor spaces into living spaces.

**Applications:** Commercial & residential landscape floor & wall applications, including public walk ways, patios, stepping stones, step treads and pool surrounds with laminations and edge detailing.
