

Kerlite Exedra

General: The Kerlite Exedra series offers a selection of three types of marble recaptured in 5.5mm thick porcelain stoneware, using the latest in digital technology. Calacutta, Onyx an Rain Grey are, the most beautiful and refined marbles with an intensely natural appeal.

Using the latest technology, this stunning material is perfect for those who require the appearance of marble, without the worry of staining or wearing.

Applications: Commercial & residential indoors, including light commercial, foyers, boutiques, galleries, living areas, kitchens and bathrooms, for all wall applications, bench tops, splashbacks, lift cars and external walls (inclusive of wall cladding).
