

# DIVA by Marvel - Porcelain

**General:** Inspired by the beauty and detail of exotic marbles, this unique range of porcelain tiles, slabs and mosaics recreate refined elegance in several surfaces finishes. This allows for excellent hard wearing suitability on floors, walls and bench tops. Unlike real marble, the Diva collections production process creates a material that is a safe, resistant, long lasting and easy to maintain. The visual depth of veining in this beautiful Italian material is highlighted by the reflective qualities of the various surface finishes.

**Applications:** Private & public spaces, as well as commercial and hospitality
