

TRAVERTINE by Marvel

General: Marvel World has become the benchmark for international design of porcelain stoneware, and in collaboration with the prestigious hospitality design firm Hirsch Bedner - this Travertine series was born. The iconic majesty of travertine symbolizes power and stability, and having this stone faithfully being reproduced in porcelain with such refined realism, guarantees these qualities.

Applications: All commercial and residential applications for both floor and wall. Create various edge detailing & laminations for steps, pool surrounds / copings, as well as custom internal & external designs.
