

PETRI

General: The Petri collection is inspired by the simplification of Venetian terrazzo - seeking a combination of tradition and modernity. The background of this collection recreates a matt concrete with inserts of Carrara marble standing out in a satin finish to create elegant pieces. The four colours of Beige, Antracite, Blue and Burgundy also combine to create a special artistic impression called Stamp. Produced from hard wearing porcelain stoneware, this Petri series creates a special ambience in any application.

Applications: Suitable for all floor & wall applications, including kitchens, bathrooms, living areas, covered patios & balconies, foyers, food courts, restaurants, bars and heavy commercial traffic areas.
