

# BOOST MIX

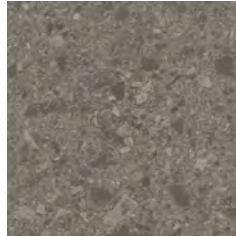

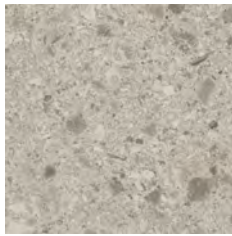

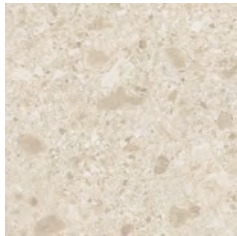

**General:** This subtle play on Ceppo stone has been created in 3 modern warm tones, with the versatility to cover any surface with striking individuality and amazing durability. The original Ceppo stone was formed through the ages between the rocks of Mount Clemo and the waters of Lake Iseo in Italy. Boost Mix now takes this beautiful environment in design excellence throughout the world.

**Applications:** All commercial and residential applications for both floor and wall. Create various edge detailing & laminations for steps, pool surrounds / copings, as well as custom internal & external designs.
