

# U INFINITY

**General:** This collection is inspired by the black brecciated quartzite from Brazil, also known as Negresco. The stones natural structure, with stippling alternating with larger more neutral areas gives this new collection the distinctive visual impression of multiform infinity. Available in two textures - Purestone and Cobblestone, along with four colourways plus Decors and Mosaics.

**Applications:** All commercial and residential applications for both floor and wall. Create various edge detailing & laminations for steps, pool surrounds / copings, plus various mosaics designs.
